License Agreement

You are allowed to:

- Use the asset(s) for personal and/or commercial purposes.
- Modify the asset(s) in any way or form to fit your project.

You are **not** allowed to:

- Redistribute or resale the asset(s) as standalone files or part of another asset pack, regardless of any modifications.
- Share the asset(s) in any form that allows others to extract or reuse the asset(s). This includes but is not limited to uploading to asset-sharing platforms or repositories.

Attribution is appreciated but not required.
